

AIR CONTROL BOXES

The range of ConvaTech air control boxes are available in single or multiple outlet models and are designed to control air quality and pressure to air tensioned cleaners. All models feature a sealed and lockable cabinet that protects all controls and settings.

Application

Suitable for air tensioned cleaners.

-  Proven Performance
-  Quality Product
-  Flexibility in Design
-  On-time Delivery
-  Australian Owned

FEATURES	BENEFITS
Stainless steel, weatherproof, sloped roof cabinet	<ul style="list-style-type: none"> = Easy access via hinged door = Increases life expectancy = Reduces build up on top of panel
Pressure regulation	= Allows fine tuning of air pressure to cleaner to maximise performance
Plant air is filtered, moisture removed and drained	= Reduced impurities in cleaner operating assemblies
